

# HIGH COUNTRY HUMANE ANNUAL REPORT

# 2024

*At High Country Humane, our team extends far beyond just our on-site staff. This shelter is a collective effort, supported by adopters, fosters, volunteers, donors, business partners, transfer partners, and so many others. Thanks to each and every one of you, we can look back on 2024 with immense gratitude. Every single day, you show up for the animals in our care, and for that, we thank you from the bottom of our hearts.*

*From successful adoptions and lifesaving programs to vital community services and financial stewardship, this report highlights the collective effort that makes it all possible. Your unwavering belief in our mission has carried us through both challenges and triumphs. Every adoption, every life saved, and every service provided reflects the love and compassion you've shared with us. We couldn't do this without you.*

*Looking towards 2025, we are focused on growth, community connection, and expanding our programs to further support both the animals in our care and the families we serve. We would love to connect with you and hear your ideas for how we can continue to improve our services and make an even greater impact in the community.*

# SOURCES

*of Operational Support*

**2024 was an extraordinary year at High Country Humane, filled with love, hope, and so many happy tails!**

**Because of your support, over 2,100 animals found their forever homes, and nearly 700 lost pets were reunited with the families who love them. Together, we celebrated incredible recognition, receiving three Best of Flagstaff awards and the honor of being named Organization of the Year.**

**None of this would have been possible without YOU. Whether you foster, adopt, donate, volunteer, partner with us, or are part of our incredible staff, you are the heart of everything we do. Your kindness, dedication, and love make miracles happen every day.**

**As we look ahead to 2025, we are filled with excitement and gratitude. We know the future is bright, and we can't wait to continue this journey with you, serving our community and giving animals the second chances they deserve.**

**Thank you from the bottom of our hearts.**
